As part of the club's protection policies for children and vulnerable adults we kindly request that all non-members on club premises adhere to the following rules and procedures...

- If your child is being collected by someone who does not normally pick them up, please make sure the coach in charge of the session is aware of this
- No photography or video recording equipment including photo and video imaging phones may be used during any training sessions. On competition, open and gala days, please register at reception if you wish to use photography and recording equipment of any kind, in the gym
- Please ensure that your child is aware of and abides by the members code of conduct (displayed on notice boards)
- Please avoid any behaviour that could be interpreted as intimidating, this includes threatening, bullying, trying to gain an unfair advantage and **public disparagement of club members/coaches**.
- If you wish to raise a concern about any aspect of the club procedures or regarding a specific incident please contact the Welfare and Protection Officer, Simon Collisson (contact details on notice board)
